

Riviera Beach Club

LANGOSTERIA PARAGGI · SEPTEMBER 20, 2026

THE DRESS CODE

Riviera Beach Club

Come dressed for a colorful day at Langosteria Paraggi, with lunch, lounging, and plenty of time in the Ligurian Sea.

Women should wear a swimsuit with a polished cover-up: a sarong, caftan, beach dress, skirt, or matching set. Men should wear swim trunks with a linen or cotton shirt. Color, print, scarves, sunglasses, and Riviera accessories are encouraged.

In Italy, guests do not arrive or move through a beach club wearing only swimwear. Please keep your cover-up or shirt on while walking through the club and dining areas. Private changing cabins are available, so you may arrive fully dressed and change at the club.

THE MOOD

Colorful, polished, playful, and ready for the water.

A GENTLE NOTE

This is a real beach day, not simply lunch by the sea. Bring or wear a swimsuit and plan to swim. Flat sandals or easy slip-on shoes are best for the beach.

Get ready to go in the water!
